

Spend Ron's Money!

Donate now to your local Republican Party and your support doubles Triples!

Our newly elected Michigan Republican Party Chair and member of our local party, Ron Weiser, has graciously agreed to match up to \$3,000 donated to the Washtenaw Republican Party from now until April 30th, 2017!

That's \$6,000 to support local and state conservative candidates and elected officials; advocate for or against important ballot initiatives; provide informative speakers; and promote conservative principles at parades, fairs, and events here in our county!

This past election cycle the dedicated volunteers of your County Republican Party have:

- Trained, organized and fielded 35 Poll Challengers for election integrity.
- Organized over 40 recount volunteers to protect Trump's victory.
- Hosted election night and inauguration parties and Republican forums.
- Marched with conservative candidates in local parades.
 - There are 4 parade opportunities this year.
- Staffed booths at local summer fairs.
 - There are at least 5 opportunities this year.
- Organized phone banks for conservative candidates and to fight local tax hikes.
- Passed resolutions opposing legislation that failed to uphold longstanding Republican principles and supporting legislation which proved that it did.
 - Our members are currently working on 3 such legislative initiatives.
- Financially supported local candidates in all of the past election cycles.
 - The election of 2018 will be a most important cycle where we'll need to strengthen our Republican majorities' state-wide, work to regain offices here in our county and elect new Republicans to the executive branch of our state.

Our volunteers donate thousands of man hours in support of Conservative, Republican values and candidates here in our county and use much of their own money in the process. Help us make sure that the resources they need are available to help them in this vital mission.

Support your County Republican Party with your most generous donation today!
