Livingston County to Host Michigan Trump Republicans

August 15 Event at Block Brewing Company

Howell, MI [Immediate Release]: Site of the RNC “Platform Listening Tour” in 2016 is now set to host a Michigan Trump Republican event on August 15.

Trump Co-chairs and other Trump activists formed Michigan Trump Republicans because they have had enough. Enough “fake news” and enough of the constant unsubstantiated attacks on President Donald J. Trump.

This event marks MTR’s first visit to Livingston County and will feature an impressive lineup of local activists who support Trump.

MTR’s meeting in Livingston County will be on August 15 at Block Brewing Company, 1140 S. Michigan Avenue, Howell, MI 48843. This event will begin at 6 p.m. MTR events bring together Trump’s strongest supporters to demonstrate that the so called “resistance” to President Trump is not the only voice available to voters.

Featured and confirmed speakers at this MTR event are be:

- Senator Joe Hune (R - District 22) and 2016 RNC Convention Delegate and **one of the two votes from Michigan on the RNC Platform Committee;**
- Wes Nakagiri (Hartland, MI) a Michigan Trump Co-chair, 2016 RNC Convention Delegate and former candidate for Michigan Lieutenant Governor;
- Meshawn Maddock (Milford, MI) a Michigan Trump Co-Chair, 2016 RNC Convention Delegate and **one of the two votes from Michigan on the RNC Platform Committee;** and
- Diane Schindlbeck (Spring Lake, MI) a Michigan Trump Co-chair, 2016 RNC Convention Delegate and founder of West Michigan Republicans.

This event is complimentary and open to all Trump supporters. It will include free food, but registration is requested at <http://www.michigantrumprepublicans.com/>

“The Trump message remains strong in Michigan,” said Maddock. “Coming off our huge MTR event in Muskegon we can feel the excitement for Trump. As Trump supporters, we know that the political establishment will continue to attack our President and those that support him.”

Future MTR events will be held in other Michigan locations including Shelby Township, Hesperia, Saginaw, Kent County, Troy and Traverse City. Additional locations are expected. Dates, locations, sponsors and speakers to be announced for each location as confirmed.

“MTR was created when we realized that Trump would continue to be attacked. Just being elected would not be enough. Our events will bring together likeminded Trump supporters to hear from Trump Co-Chairs and Trump

activists about what is *really* happening in Washington, D.C. Those who attend will learn how to defend Trump against these unwarranted attacks and will learn how to fight back,” said Maddock.

###

Michigan Trump Republicans are Trump loving Americans who are sick and tired of the political establishment and the political machine that is solely focused on tearing down our President and his agenda. The establishment focuses on everything BUT hard working taxpayers and voters. MTR is nothing special. Trump and what he stands for are special to us. Trump represents what America needs to return to being an amazing nation with unlimited and equal opportunities for everyone, but not a guaranteed outcome for the politically connected. We are focusing on LOCAL Michigan support because we will be more effective here than we can ever be 600 miles away in D.C. Trump needs each STATE TO BE STRONG, so we can push his agenda LOCALLY in our state capitol. In other words, we need to “Drain the Swamp” in Lansing, too. We're in this together and when we join our God given talents together, we always win. As Co-Chairs of Donald J. Trump’s Michigan campaign, we're fed up with the way the media and the establishment are organized against him. Come fight with us. We and the country need you.
