In addition, I would like to explore better ways of doing electronic transactions including, perhaps, the ability to accept credit card payment at remote locations such as fair booths.
Eunice Frey	Success of the GOP requires more involvement with like-minded people in our community...starting NOW! More strategy, motivation, persistence, and visibility should be factors to increase membership and awareness to uphold a higher moral standard!

Michael Strother	<p>Dear Fellow Washtenaw County Party Republicans,</p> <p>I have worked on the Executive Committee and as Chair of the Issues Committee on things that matter to us all in our daily lives. I have shared the Resolutions that we have prepared furthering Republican ideals. A group of County Issues Committees now plans to collaborate on Resolutions because of my efforts.</p> <p>On the Executive Committee, I will work to organize our group to be part of the community and to elect Republican candidates to office. I would like to ask for your support for a position on the Executive Committee.</p> <p>Thank you,</p> <p>Michael Strother</p>
Teresa Reynhout	<p>I am running to help elect Republicans and advance conservative values within the Republican Party. I have been active with the Washtenaw County Republican party for about 20 years, serving as a precinct delegate, as a member of the Washtenaw County Executive Committee (past secretary), as a member of the Seventh District Executive Committee (current secretary), and on the MRP State Party as Vice-Chair of the Fundraising committee. During this past election cycle, I served on the events committee, worked in booths at community events, recruited precinct delegates and notarized affidavits, knocked on doors, made phone calls, worked on Teri Aiuto's campaign, put out signs, worked in the office answering phone calls and handing out campaign signs. I also served as one of the two Republicans on the Board of Canvassers. If elected, I will use my experience to network, train others and build coalitions.</p>
Dan Smith	
William Bigler	<p>I wish to serve on the Wash-GOP Executive Committee to uphold the principles of limited, Constitutional, and fiscally responsible government in our county, districts, and state. Gregory Marquis	<p>Hello,</p> <p>I have been on the Executive Committee for several years now, and have been serving as the Chair of the Events Committee for roughly a Year and a half (give or take a few months). I hope to continue in this role to bring you more exciting and informative events. I believe in a Fiscally responsible Constitutional Limited Government. We have a big job in front of us in the next two years, namely to retake the House, ensure the re-election of Donald Trump, and to set the stage to retake statewide elected positions here at home.</p> <p>Thank You,</p> <p>Greg Marquis</p>

Annette Christine Kennedy	<p>I feel very strongly about promoting Republican ideals, beliefs and candidates throughout my community and county. I encourage others to do so as well. In the past 12 months, I have engaged in the following volunteer activities: walked parades, worked booths, knocked doors throughout Chelsea, Dexter and Saline, collected signatures supporting Brett Kavanaugh, collected signatures identifying President Trump supporters, made phone calls using Reddialer, trained others on Reddialer, regularly and consistently manned the Republican Headquarters in the many weeks leading up to the election, assembled yard signs, delivered/collected/returned signs, recruited Precinct Delegates and called Precinct Delegates (and two other lists of people) in hopes of recruiting volunteers. I have served on the Executive Committee for several months and I was a Poll Challenger and Poll Flusher on November 6th.</p> <p>I enjoy working with the other members of the Executive Committee and I take that role and responsibility very seriously. I hope to be considered for the Committee for the next term. Thank you! -Annette C. Kennedy</p>
Tawn Beliger	<p>I look forward to helping fight for those principles that this country was founded upon. I look forward to wroking with my friends here in Washtenaw to make plans and make it happen :)</p> <p>FYI currently I serve as a Trustee for Northfield Township, fighting those that endeavor to raise taxes, trample liberty, and grow government.</p>
Gerald Hermann	<p>I would like to serve on the Washtenaw Republican Party Executive Committee to help insure that the party adheres to the principles as outlined in the Republican Party Platform. I believe it is most important that the elected representatives in our government understand that the rights of people come from God, and it is their role to protect those rights.</p>
Scott R. Inman	<p>I bring to the table nearly two decades of experience running a successful small business. I believe in and practice sound conservative principles in my every day life. I attribute these principles to my success.</p>
Marc Boone	<p>I support limited government, strong defense and a pro American policy for our borders. We can use the anti-american stance of the Democrats on border security and defense to highlight why we are better than them. Slogans like "We are a nation!" or "America has its own culture, the best in the world!" or "Our borders belong to us!", will get more attention on hand outs and signs. Let the democrats argue that "America is not so great".</p>
BILL BORING	<p>Involved in Republican politics since the early 1980's. Candidate for Genesee County Commissioner (1986, 1988 and 1990). Member of the Executive Committee of the Genesee County Republican Party and Delegate to Michigan Republican State Conventions.</p> <p>Since 1995, resident of Ann Arbor Township, in Washtenaw County. Delegate in Precinct 1, A2 Twp, Write-In Candidate for A2 Twp Trustee (2016) and Candidate for State Representative - 55th House District (2018). Poll Challenger (2016 Nov. General Election and Recount) and (2018 Nov. General Election).</p> <p>Self-Employed since 1983. I believe in our Constitution, Bill of Rights and Fiscal Responsibility in Government.</p> <p>I would now like to serve on the Washtenaw County GOP Executive Committee. I believe that my experience and perspective will be of value and I ask for your vote.</p>

john taylor	<p>I've been a lifelong Republican and have had the honor of serving as the Chairman of the Washtenaw County Republican Committee since 2012. I consider myself a Constitutional Conservative and strongly Pro-Life. I am an advocate of Conservative/Republican principles and have dedicated an immense amount of time and energy over these past years while leading and participating in every aspect of the County Parties activities. I would appreciate the opportunity to continue my work as a member of the Executive Committee in the next term as I believe in the necessity of activism, especially in light of the challenges our state & country currently faces. I humbly ask for your continued support and your vote.</p>
CARL HAYES	<p>I recently was elected as a precinct delegate, along with two of my sons (ages 19 and 23). My family has consistently held to conservative values and have voted for candidates supporting these values and our Constitutional Rights.</p> <p>As a student at EMU I did an Internship and worked as the Office Manager for the Lenawee County Republican Party in 1984. Every weekend I would go with Tim Walberg, and go Door to Door throughout his area when he ran his first re-election campaign for State Representative. Old school grass roots.</p> <p>In 1987 I was involved with the Republican Steering Committee supporting George H.W. Bush to run as the 41st President.</p> <p>My father in Law, Robert Taylor, is on the Executive Committee in Lenawee County. Behind the scenes, I have been involved with him.</p> <p>I have exceptional interactive skills working with and recruiting volunteers. I served 9 years as a Deacon and 3 as an Elder at Grace Bible Church in Ann Arbor. I served and chaired several committees. Now that my children have graduated, I no longer will be coaching their teams or running a Church Ministry they are part of.</p> <p>As I mentioned 2 of my sons are now Precinct Delegates. As the GOP looks to the future, we need to hold to the virtues and beliefs of the party, at the same time we need to present it to the next generation in a way that they will want to get involved. I have the skills and desire to make that happen.</p>
Richard Anderson	<p>I have served in the Republican Party since I was 14 years old and I was first elected as a precinct delegate when I was 18. I have managed statewide and local campaigns. I also held found the Alpena Tea Party and have actively worked with GOP, Tea Party and Liberty groups across the State.</p>

<p>Gary S. Greiner</p>	<p>I am declaring my interest and qualifications to be a nominee to the Washtenaw County Republican Executive Committee. My interest and enthusiasm for our mission and goal is my sole reason for running. We all, must do all we can to get "Constitutional Conservatives" elected to the State and National chairs. Like many of you I was very disappointed in the out come of our recent mid-term election, especially in Michigan.</p> <p>Since becoming a Precinct Delegate in August I have attended the State Convention, did phone calling for our candidates prior to the mid-term (quite frankly we could of used more help), took responsibility for getting the signs against Prop 2 (this one could hurt for a long time), I was also an active participant on election day as both a "pole challenger & pole flusher". I am a Vietnam Veteran who has a great deal of pride in our country and who also believes that OUR President deserves a lot more support than he has received.</p> <p>As "Tip Oneal" once said "ALL politics is local (I don't often quote or agree with liberals however ---) and he was correct; how many republicans are on An Arbor or Ypsilanti City Council , how many conservatives are found on their school boards? Sounds menial until you think about it, I promise to work on that issue as well as others if elected.</p> <p>I ask for your consideration and support on December 06 and together we can make a difference .</p> <p>Thank you,</p> <p>Gary Greiner</p>
